

# Scott M. Hyman, Ph.D.

Licensed Clinical Psychologist  
 Associate Professor  
 Doctoral Project Coordinator  
 Doctor of Psychology Program  
 Albizu University-Miami Campus  
 2173 N.W. 99th Avenue  
 Miami, FL 33372

**Phone:** (305) 593-1223, Ext. 3140  
**Email Address:** [shyman@albizu.edu](mailto:shyman@albizu.edu)

## State Professional Licensure

2006-2017 Licensed psychologist in the state of Connecticut (#002710)  
 2010-present Licensed psychologist in the state of Florida (#PY8026)

## Education & Training

2003-2005 **NIH Postdoctoral Fellowship**  
 Yale University School of Medicine, Department of Psychiatry  
 Division of Substance Abuse

2002-2003 **APA-Accredited Pre-doctoral Internship**  
 The Boston Consortium in Clinical Psychology, VA Boston Healthcare System  
Rotations: National Center for PTSD, Residential Substance Abuse, VA Outpatient Clinics  
 & Crisis Stabilization Clinic

2000-2003 **Doctor of Philosophy in Clinical Psychology**  
 Nova Southeastern University, Center for Psychological Studies

1998-2000 **Master of Science in Clinical Psychology**  
 Nova Southeastern University, Center for Psychological Studies

1994-1998 **Bachelor of Arts in Psychology**  
 Binghamton University  
 Magna cum laude  
 Minor in Spanish

## Experience

2014-present **Associate Professor**  
 2009- 2014 **Assistant Professor**  
**Doctoral Project Coordinator**  
**Chair: Institutional Review Board**  
**Doctoral Program in Clinical Psychology**  
**Albizu University –Miami Campus**

Created, administered, and chaired the Miami panel of the Institutional Review Board. Assisted students with all aspects of their doctoral research including matching them with qualified mentors, development of work plans for completion of projects, tracking student progress, evaluation of projects for compliance with policies and procedures, ensuring the ethical conduct of research, and resolution of conflicts with research supervisors. Responsibilities also included developing and teaching doctoral level courses (Cognitive-Affective Bases of Behavior, Cognitive-Behavioral Therapy, Compulsive & Addictive Behaviors, Clinical Interviewing & Quantitative Methods), preparing materials for APA accreditation, advising students, directing student research, administering qualifying oral examinations, supervising administrative staff, and publishing/presenting research.

- 2017- present **Miami-Dade Area Health Education Center (AHEC) Trainer**  
Regularly contracted to provide Motivational Interviewing trainings for smoking cessation and other topics related to substance addiction.
- 2013-2016 **Scientist**  
**Division of Alcohol and Drug Abuse**  
**Department of Psychiatry & Behavioral Sciences**  
**University of Miami- Miller School of Medicine**  
Project administrator for addiction research program including clinical trial set-up, budgeting, development of service agreements with affiliated hospitals, subject recruitment, consenting, and screening, IRB submissions, drug accountability, reporting of protocol deviations and adverse events, data collection and management (including diagnostic and behavioral assessments, vital signs, ECG tracings, safety labs, and genetic/pharmacokinetic sampling), storage and shipping of biological samples, maintenance of regulatory documentation, training and supervision of research staff, and facilitation of monitoring visits and Clinical Translational Research Center (CTRC) in-services (PI: Ihsan Salloum, M.D.).
- Project Administrator:** *Efficacy, Safety and Dose-Response Study of Lofexidine in the Treatment of Opioid Withdrawal Followed by Open-Label Lofexidine Treatment.* NIDA sponsored, multisite clinical trial.
- Project Administrator:** *Randomized, Double Blind, Placebo-Controlled Trial of the Safety and Efficacy of Gabapentin Enacarbil (Horizant®) Extended-Release Tablets for the Treatment of Alcohol Use Disorder.* NIAAA sponsored, multisite clinical trial.
- Project Administrator:** *Clinical Medications Development for Co-morbid Bipolar and Alcohol Use Disorder.* NIAAA sponsored clinical trial.
- 2009-2010 **Independent Contractor**  
Conducted Dialectical Behavior Group Therapy with adult trauma survivors.
- 2005-2009 **Associate Research Scientist**  
**Yale University School of Medicine**  
**Department of Psychiatry**  
**Yale Stress Center & Connecticut Mental Health Center**  
Faculty appointment funded through The Yale Stress Center & Interdisciplinary Research Consortium on Stress, Self-Control & Addiction and other NIH support. Responsibilities included directing clinical medication trials research, evaluating and

providing direct clinical services (triage assessments; CBT and Motivational Enhancement Therapy) to substance dependent and dually diagnosed individuals at the Connecticut Mental Health Center, teaching motivational interviewing skills to medical students, providing clinical supervision to psychology interns and fellows, conference presentation, and manuscript preparation.

**Project Director:** *Lofexidine to Enhance Naltrexone Treatment for Opiate Addiction*

Directed a NIDA funded, Phase II, placebo controlled, randomized clinical trial examining the effect of Lofexidine on stress-related opioid relapse in Naltrexone-treated opioid abusers; screened and consented participants; conducted intake evaluations; conducted Motivational Enhancement Therapy (MET) and Cognitive-Behavioral Therapy (CBT) with opioid dependent and dually diagnosed subjects; supervised medication self-administration, assessed vital sign measures, managed overdose risk, coordinated with detoxification facilities, Medical Units, the clinic pharmacy, USWorldmeds, and the Yale Institutional Review Board (IRB); tracked subject progress, prepared progress reports; monitored adverse events; maintained FDA and OHRP regulatory documentation, maintained a research database; supervised interns, postdoctoral fellows, and research assistants; analyzed data & prepared manuscripts (PI: Rajita Sinha, Ph.D).

**Staff Psychologist:** *Naltrexone for Heavy Drinking in Young Adults*

Provided Brief Alcohol Screening & Intervention for College Students (BASICS) motivational feedback counseling as part of a NIAAA funded placebo-controlled study designed to assess the efficacy of daily and targeted naltrexone in addition to BASICS counseling in reducing heavy drinking in college-aged young adults (PI: Stephanie O'Malley, Ph.D).

2003-2005

**NIH National Research Service Award (T32) Postdoctoral Research Fellow  
Yale University School of Medicine  
Department of Psychiatry, Division of Substance Abuse  
Connecticut Mental Health Center**

Awarded a 2-year NIH funded T32 Ruth L. Kirchstein National Research Service Award (NRSA) to investigate the gender-specific effects of childhood trauma on the course of substance use disorders. Functioned as a Specialized Center of Research (SCOR) on Women's Health investigator. Provided clinical services to drug dependent and dually diagnosed individuals at the Substance Abuse Treatment Unit of the Connecticut Mental Health Center. Training included individualized research mentorship, completion of a translational-research project, and a core curriculum that included seminars on substance abuse research and treatment, statistics and research design, the responsible conduct of scientific research, and grant writing skills (Mentor: Rajita Sinha, Ph.D.).

2002-2003

**Pre-doctoral Intern  
The Boston Consortium in Clinical Psychology, Boston VA Healthcare System  
National Center for PTSD  
Substance Abuse Residential Rehabilitation Treatment Program  
Community Based VA Outpatient Clinics  
Crisis Stabilization Clinic**

An APA and Academy of Psychological Clinical Science (APCS) approved training consortium affiliated with Harvard Medical School, Boston University School of Medicine & U.S. Department of Veterans Affairs. Conducted comprehensive psychological evaluations and provided psychotherapy including Dialectical Behavior Therapy, Exposure

Therapy, and Imagery Rehearsal Therapy to veterans within the Behavioral Sciences Division and Women's Health Sciences Division of the National Center for PTSD. Conducted assessments and provided clinical services including psycho-education, individual therapy, and group relapse prevention therapy to substance dependent and dually diagnosed veterans in residential treatment. Conducted diagnostic assessments and provided outpatient clinical services including individual, couples, and group therapy to veterans within the trauma clinic, anxiety disorders clinic, mood clinic, smoking cessation clinic, and walk-in clinic. Conducted emergency triage evaluations through the VAMC Crisis Stabilization Clinic (Supervisors: Phillip Kleespies, Ph.D., Deborah Brief, Ph.D., Eve Davidson, Ph.D., & Barbara Niles, Ph.D.).

2002-2002 **Child & Adolescent Research & Education Program (CARE)  
Yale University School of Medicine**

Conducted assessments with children removed from their parents' care due to abuse or neglect for a study evaluating DCF services for children in out-of-home care (PI: Joan Kaufman, Ph.D.).

2000-2002 **Adolescent Drug Abuse Prevention & Treatment Program (ADAPT)  
Nova Community Mental Health Center**

Served as Assistant Coordinator and Staff Therapist for an adolescent diversion program. Conducted assessments and provided individual and family therapy to adolescents arrested for minor offenses, who had substance abuse problems, or who were considered at risk for developing such problems. Assisted police departments with referrals, conducted screenings, scored assessments & maintained a research database (Supervisor: Vincent van Hasselt, Ph.D.).

### Graduate Practicum Training

2000-2001 **Student Counseling Services, Nova Southeastern University**

Conducted individual therapy, couples counseling, and personality testing for students (Supervisor: Barry Schneider, Ph.D.).

1999-2000 **Guided Self-Change Clinic (GSC), Nova Community Mental Health Center**

Conducted psychological evaluations and provided a brief motivational and cognitive-behavioral intervention to adults and adolescents with drug, alcohol, and behavioral addictions (Supervisors: Linda C. Sobell, Ph.D. & Mark Sobell, Ph.D.).

2000-2000 **One Stop Program, Conte Correctional Facility**

Conducted evaluations and facilitated cognitive-behavioral group therapy for incarcerated men arrested for domestic violence and substance abuse (Supervisors: Linda Sobell, Ph.D. & Vincent Van Hasselt, Ph.D.).

### Graduate Research Training

1998-2002 **Trauma Resolution & Integration Program (TRIP)  
Nova Southeastern University**

Performed various research duties for a treatment program for adult trauma survivors. Presented research at conferences and published articles in refereed journals (PI: Steven N. Gold, Ph.D.).

## Teaching & Clinical Supervision

- 2000-2002     **Hostage Negotiation Team**  
Worked with psychologists, the FBI, and the City of Plantation Police Department in training hostage negotiators. Assisted in teaching active listening skills through staged hostage-taking scenarios and provided feedback to police trainees.
- 2006-2008     **Brief Motivational Interviewing Instructor**  
**Yale Department of Education**  
Taught Yale University medical students a motivational interviewing didactic (CHANGE) focused on reducing patient health-risk behaviors in a medical setting.
- 2003-2009     Taught seminars on stress, trauma, and substance addiction through the Yale Stress Center and Division of Substance Abuse Seminar; developed informational briefs for distribution throughout Connecticut; provided in-services on stress, PTSD, addictive habits, and health.
- 2006-2009     Supervised clinical research staff, social workers, pre-doctoral psychology interns, and postdoctoral fellows at the Yale University School of Medicine.
- 2009            Guest lecturer for a Health Psychology Class at Yale College: *Stress and Addiction*.  
Instructor: Benjamin Toll, Ph.D.
- 2010-2014     PSYD746 *Cognitive-Behavioral Therapy (CAU)*
- 2010-2013     PRAC701 *Pre-Practicum, Interviewing, & Clinic Orientation (CAU)*
- 2010-2014     PSYD733 *Compulsive & Addictive Behaviors (CAU)*
- 2010-2014     PSYD901 *Doctoral Project Research Seminar I (CAU)*
- 2010-2015     PSYD902 *Doctoral Project Research Seminar II (CAU)*
- 2011-2015     PSYD701 *Cognitive-Affective Bases of Behavior (CAU)*
- 2012            PSYD810 *Quantitative Methods (CAU)*

## Honors & Awards

- 1998            Phi Beta Kappa National Honor Society, Binghamton University.
- 1998            Graduated Magna Cum Laude, Binghamton University.
- 1998            Golden Key National Honor Society, Binghamton University
- 1998            PSI CHI National Honor Society, Binghamton University
- 2003-2005     NIH T32 Ruth L. Kirschstein National Research Service Award (5 T32 DA07238).
- 2004            NIDA Women & Gender Junior Investigator Travel Award - College on Problems of Drug Dependence (CPDD).
- 2004-2009     NIH Loan Repayment Program Award for Clinical Researchers - Initial 2-year contract and competitive renewals.
- 2016            Joan Rachlin Scholarship to attend the 2016 Advancing Ethical Research Conference cosponsored by The Boston University School of Medicine in collaboration with The Association of American Medical Colleges (AAMC).
