Employment History Continued

Sheri Feldman, Ed.D. CCC-SLP and Associates, P.A.

Hollywood, FL

Date: 1999 to 2010

Director

Sheri Feldman, Ed.D. CCC-SLP and Associates was a multidisciplinary therapy agency providing treatment and intervention for children and young adults with disabilities. The agency provided Speech-Language, Occupational, Physical and Behavior Therapies. In addition, we provided home programs, parent education, workshops and advocacy assistance. Services were provided in a multitude of settings as we offered treatment in-office and on-site at a variety of locations in several counties throughout Florida. Responsibilities included management of the therapy programs for the children, staff regulation, supervision (on-site and off-site) and compensation, administration and development of new and existing programs, market and promotion of agency throughout the community. The agency also had affiliations with Nova Southeastern University, Florida Atlantic University, and Florida International as an off-campus site for externships.
