

# ETHICAL WRITING

## Preparing

**USE  
PRIMARY  
SOURCES**

Secondary sources may misinterpret the work

Accurately communicate ideas and terminology

## Writing

**CHERRY  
PICKING**

Select unbiased information & acknowledge conflicting research

**CITE YOUR SOURCES**

Use your own words

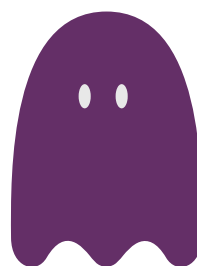

Quote verbatim text

## Publishing

**NO GIFT  
AUTHORSHIP**

Only include those who have made substantial contribution to the paper or project

**NO GHOST  
AUTHORSHIP**

Give proper authorship and credit to those who contributed to the paper or project
