FACTBOOK

Academic Year 2024 - 2025

The Albizu Factbook provides a detailed analysis of our student population to support strategic planning, report writing, proposal development, and informed decision-making within the institution. This comprehensive report includes data on total enrollment by enrollment status and academic program, and specific breakdowns by academic term – Fall, Spring, and Summer – and by location. The Factbook presents historical tables and trend analyses that provide longitudinal data on enrollment, persistence, retention, graduation, and student satisfaction. Additionally, it includes outcomes on the professional licensing examinations for the Psychology, Speech-Language Pathology, and Speech Therapy students' programs.
